1

IIT Madras Admission Scheme

IIT Madras has recently launched the 'Science Olympiad Excellence' (ScOpE) initiative, offering 2 seats per department for students who excel in Olympiads conducted by HBCSE.

2

Expert-Curated Questions

Question papers designed by IIT alumni guarantee high-quality, challenging assessments.

3

Flexible Scheduling & Examination Options

Schools choose from three exam dates, and all tests are conducted online and offline to suit your school's needs.
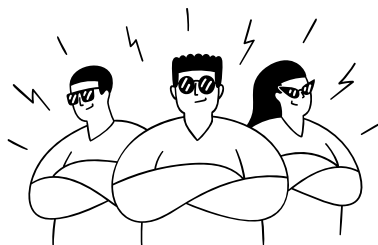

4

No Additional Preparation Materials

The syllabus mirrors your school textbooks; no extra books are required.

5

Recognition & Rewards

- Certificates for all participants.
- Medals for top performers per school.
- Cash prize pool up to INR 1,00,000
- Free olympiad preparation workshop by IIT teachers for top performers per class for every school.

Who Should Participate?

For Schools: Enhance your institution's academic profile by hosting a prestigious Olympiad. It's an opportunity to showcase your commitment to quality education and to stand out in the competitive academic landscape.

For Students: Whether you're a budding scientist or a mathematics enthusiast from Class 6-10 or an aspiring specialist in Class 11-12 (across Mathematics, Physics, Chemistry, Biology, and Astrophysics), AiO is tailored to challenge and nurture your abilities.

Elevate Your School's Academic Standing

Subjects Offered

Class 6-10	Class 11-12
Math (aIMO), Science (aISO)	Math (aIMO), Physics (aIPhO), Chemistry (aIChO), Biology (aIBO), Astronomy (aIAO)

Exam Pattern

Level 1 - Objective Examination: (Online/Off-line Mode)

- **Science (aISO), Physics (aIPhO), Chemistry (aIChO), Biology (aIBO), Astronomy (aIAO):** A 2-hour examination with 60 questions - 48 MCQs with only one correct answer; +3 for correct answers, -1 for wrong answers) and 12 MCQs with one or more correct options (full marks awarded only if all correct answers are selected).
- **Mathematics Olympiad (AiMO):** A 3-hour examination featuring 30 questions, where each answer is either a single-digit number or a two-digit number in the range 00-99. There are no negative marks.

Level 2 - Subjective Examination: (Offline)

- A rigorous 3-hour test consisting of 6 problems.
- Only the top 100 from Level 1 are eligible to participate.
- Problems are designed to test deep conceptual understanding and advanced problem-solving skills.

▲i● | ALL INDIA OLYMPIAD
IIT MADRAS ALUMNI INITIATIVE

Key Highlights:

- **Conducted by IIT Alumni:** All exam questions are designed by IIT Madras alumni, ensuring high-quality, thought-provoking assessments that promote analytical and logical reasoning.

- **International Rigor & Standards:**
  - Exams are designed to mirror the challenge of global Olympiads.
  - Question papers are curated by IIT Madras experts, ensuring robust, in-depth assessment.

- **Comprehensive Two-Stage Process:**
  - Level 1: An objective examination testing a wide range of topics.
  - Level 2: A subjective exam for the top 100 ranked candidates to showcase advanced problem-solving.

- **Flexible Scheduling & Examination Options:**
  - Schools may choose from three convenient exam dates.
  - Both online and offline delivery options are available, depending on your school's preference.

- **Curriculum-Aligned Content:**
  - The syllabus is based on standard school textbooks, covering key topics in Mathematics and Science.

- **Mentorship Integration:**
  - Exclusive mentorship opportunities for top performers that include personalized guidance, live interactive sessions, and ongoing support from IIT Alumni.

- **Awards & Recognition:**
  - Participation certificates for all students.
  - Medals and cash prizes (up to INR 100,000) for outstanding achievers.
  - Additional incentives through our mentorship program to boost academic growth.

- **Global Benchmarking:**
  - AiO provides an exam platform equivalent to international Olympiads, allowing students to measure their abilities against national and global standards.

Why Choose AiO?

Benefits for Stakeholders

- **For Students:**
  - **Skill Enhancement:** Develop critical thinking, problem-solving, and analytical skills.
  - **Competitive Edge:** Experience the challenge of high-level exams, building a strong academic profile.
  - **Recognition & Rewards:** Earn certificates, medals, and cash prizes. Outstanding performers gain exclusive mentorship.

- **For Parents:**
  - **Future Readiness:** Assurance that their child is being prepared for high-stakes academic challenges and future educational opportunities.
  - **Holistic Development:** Exposure to competitive assessments nurtures persistence, creativity, and resilience.

- **For Schools:**
  - **Institutional Prestige:** Host a nationally recognized Olympiad to enhance the school's academic reputation.
  - **Seamless Integration:** Our structured process fits smoothly into the academic calendar without requiring extra materials or excessive logistics.
  - **Enhanced Student Outcomes:** Contributing to higher student performance and college admissions success.

Mentorship Program

Our comprehensive mentorship program is designed to provide continuous support and advanced guidance to top-performing students. Details include:

- **Eligibility & Selection:**
  - For classes with more than 40 participants: The top 3 students per school per Olympiad qualify.
  - For classes with fewer than 40 participants: The top 1 student per school per Olympiad qualifies.
  - To qualify for this program students must have participated in all offered olympiad for their respective class by All India Olympiad.

- **Program Components:**
  - **Monthly Interactive Webinars:**
    - Conducted by IIT Alumni covering critical-thinking, advanced problem-solving, exam strategies, and subject-specific topics.
    - Scheduled sessions that allow students to ask questions and interact directly with experts.

  - **Personalized Mentoring Sessions:**
    - One-on-one or small group sessions tailored to individual academic needs.

- Online Study Groups:
    - Exclusive forums on platforms like WhatsApp or Slack where mentees can collaborate, share resources, and discuss challenges.

- Program Duration:
    - The mentorship program runs for 3 months following the Olympiad, ensuring sustained academic support.

Awards & Recognition

- Participation Award:
    - Every student receives a certificate of participation to acknowledge their effort and dedication.

- Performance-Based Awards:
    - Awards for Level 1 Exam (National Level):
        - Rank 1: Rs 10,000/- Each + Gold Medal + Certificate
        - Rank 2: Rs 5000 /- Each + Silver Medal + Certificate
        - Rank 3: Rs 2500 /- Each + Bronze Medal + Certificate

    - Awards for Level 1 Exam (Per School):
        - Rank 1: Gold Medal + Certificate
        - Rank 2: Silver Medal + Certificate
        - Rank 3: Bronze Medal + Certificate

    - Awards for Level 2 Exam (National Level):
        - Rank 1: Rs 15,000/- Each + Gold Medal + Certificate
        - Rank 2: Rs 10000 /- Each + Silver Medal + Certificate
        - Rank 3: Rs 5000 /- Each + Bronze Medal + Certificate

- In case two or more students achieve the same rank, cash awards/scholarships in the applicable category will be distributed as under:
    - For up to 5 students getting the same rank, the award/scholarship amount will be distributed equally. In addition, each winner will be awarded a medal (in the applicable category) and a Certificate.
    - In case 6 or more students get the same rank, in lieu of cash award/scholarship, each winner will be awarded gifts worth Rs.1,000/- each + a medal (in the applicable category) and a Certificate.

Registration Process

- Initiate Contact:
    - Express your interest by contacting us via email, phone, or postal mail.
    - Provide your school's details: Name, Address, School Email, Principal's Name, and Contact Number.
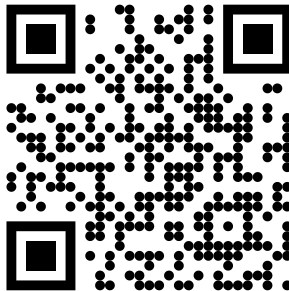

- **Receive Registration Forms:**
  - We will send you the School Registration Form (SRF) and the Student Registration Sheet (SRS).

- **Complete and Submit Forms:**
  - Fill out the forms accurately.
  - Submit the completed forms by the deadline provided on our website.

- **Payment Process:**
  - Fees: INR 199 per student per Olympiad, plus an additional INR 100 per student for schools (covering exam conduction costs and teacher honorarium).
